I've been waitin on the train gonna be all day  
Waitin on the train gonna be all day  
Got me a woman with a round up bin  
Zig zag stop is a quarter ta ten  
Zig zag stop where the fun begins

Get on that train

Yeah waitin on a woman gonna be all day  
Waitin on a woman gonna be all day  
Zig zag stop it's a quarter ta two  
Zig zag stop baby how bout you

Now where you at mamma  
I know you're around here somewhere  
Got it on but bring it with you  
I ain't waitin all day

(Vocalizations)

Now waitin on a woman gonna be all day  
Now waitin on the train gonna be all day  
Zig zag stop it's the only way  
Zig zag stop it's the only way

That's the only way  
That's the only way
