I Wanna Talk About Me  
(Bobby Braddock)

We talk about your work how your boss is a jerk  
We talk about your church and your head when it hurts  
We talk about the troubles you've been having with  
your brother  
About your daddy and your mother and your crazy ex-  
lover  
We talk about your friends and the places that you've  
been  
We talk about your skin and the dimples on your chin  
The polish on your toes and the run in your hose  
And God knows we're gonna talk about your clothes  
You know talking about you makes me smile  
But every once in awhile

I wanna talk about me  
Wanna talk about I  
Wanna talk about number one  
Oh my me my  
What I think, what I like, what I know, what I want, what I  
see  
I like talking about you, usually, but occassionally  
I wanna talk about me  
I wanna talk about me

We talk about your dreams and we talk about your  
schemes  
Your high school team and your moisturizer creme  
We talk about your nanna up in Muncie, Indiana  
We talk about your grandma down in Alabama  
We talk about your guys of every shape and size  
The ones that you despise and the ones you idolize  
We talk about your heart, about your brains and your  
smarts  
And your medical charts and where you start  
You know talking about you makes me grin  
But every now and then

I wanna talk about me  
Wanna talk about I

Wanna talk about number one  
Oh my me my  
What I think, what I like, what I know, what I want, what I  
see  
I like talking about you, usually, but occasionally  
I wanna talk about me  
I wanna talk about me

You you you you you you you you youyouyouyouyou  
I wanna talk about me

I wanna talk about me  
Wanna talk about I  
Wanna talk about number one  
Oh my me my  
What I think, what I like, what I know, what I want, what I  
see  
I like talking about you, usually, but occasionally  
I wanna talk about me  
I wanna talk about me
