Happy birthday Jesus  
Let's celebrate the birth of Love

She was only 13  
Young with a big dream  
Then, unexpectedly, things would never be the same  
Love was born, and she held a gift God made  
Born for redemption's sake  
Earth was void 'til He came  
Love was born a, love was born a King

Now we all sing  
L-o-v-e, L-o-v-e, L-o-v-e  
Everybody sing  
L-o-v-e, L-o-v-e, L-o-v-e  
Love, love, love, love, love, la, la, love  
Let's celebrate, let's celebrate,  
Let's celebrate the birth of love  
Love, love, love, love, love, la, la, love  
It's Your birthday, it's a new day, it's the true way, in His  
love

Rum pum pum pum, rum pum pum pum  
Let's follow the beat of the drum  
Doesn't matter where you come from  
Let's come together as one and celebrate, let's  
celebrate  
Let's take this love, and let's elevate  
To a place where we can conversate  
And share our New Year's dreams over grandma's hot  
plates  
Hey, hey, hey, hey everybody  
Let's celebrate that beautiful love  
Hey, hey, everybody  
Let's celebrate that beautiful love  
No silent night, no jingle bells  
We gonna rock tonight  
We gonna rock this love

Rock the love

L-o-v-e, L-o-v-e, L-o-v-e  
Rock the love  
L-o-v-e, L-o-v-e, L-o-v-e  
Love, love, love, love, love, la, la, love  
Let's celebrate, let's celebrate,  
Let's celebrate the birth of love  
Love, love, love, love, love, la, la, love  
It's Your birthday, it's a new day, it's the true way, in His  
love

Now we welcome everybody to this beautiful  
celebration  
We're celebrating the birth of love
