as far eyes off in the sunset/
I Sweep the snow from my doorstep/
I just can't help but stop and grin/
Its like I'm ten years old again/
And everywhere I go I can feel it/
some say it moves like a spirit/

It falls on us once a year/
Like it came on a midnight clear/
Its all love/ the season is a gift/
when love came down to let us live/
Lets open up and let our hearts embrace this moment/

[chorus]
For ChristMas this year/
Gonna make a sound gonna make it loud/
for ChristMas this year/
We're gonna make some noise let the world rejoice/
for ChristMas this year/
for Christmas/
For Christmas this year/

The Laughter starts/
before the sunrise/
I sneak downstairs to sparkle-in eyes/
and oh what joy it brings to me/
our family around our Christmas Tree/
And I thank the lord for his favor/
AS we sing the songs of the savior/ (our savior)

Its all love/ the season is a gift/
when love came down to let us live/
Lets open up and let our hearts embrace this moment/

[chorus]
For ChristMas this year/
Gonna make a sound gonna make it loud/
for ChristMas this year/
We're gonna make some noise let the world rejoice/
for ChristMas this year/
for Christmas/

For Christmas this year/

Holy Holy holy/
God is coming near/
unto us a saviors born/
on a midnight clear/

Holy Holy holy/
God is coming near/
unto us a saviors born/
on a midnight clear/

[chorus]
Oh For ChristMas this year/
Gonna make a sound gonna make it loud/
We're gonna make some noise let the world rejoice/
for ChristMas this year/
for Christmas/
For Christmas this year/

[chorus]
For ChristMas this year/
Gonna make a sound gonna make it loud/
for ChristMas this year/
We're gonna make some noise let the world rejoice/
for ChristMas this year/
for Christmas/
For Christmas this year/

Holy Holy holy/
God is coming near/
unto us a saviors born/
on a midnight clear/
