They call us Diverse City, we're colorful good  
It's like a freak show in your neighborhood  
So, if you wanna praise you can come on down  
Cause this freak show's leaving the ground

Up, up and away, baby we don't play, maybe you  
thought you was done for the day  
He said, she said, I said this, that you can't get away  
from your moment of bliss  
Stirring, we'll lure you in and we'll make room for the  
shade of skin  
Short ones, tall ones, skinny ones, bigger, love is the  
gun and we pullin' that trigger  
So you send me and I'll send you hope in the form of a  
new tattoo  
Mine is the shiny city on a hill and yours, of course, is  
the colors that fill it  
We'll take you high, we'll take you higher

Now come to the city where you can praise  
If you're black, if you're white, if you're yellow or grey  
In the morning, in the night, anytime of day  
What's that place - Diverse City  
With curls in your hair and braids on the side

Straight shake'em loose, just come on and ride  
We're a body with parts, like you and me  
Together we make diversity

Welcome to Diverse City, we're colorful good  
It's like a freak show in your neighborhood  
So, if you wanna praise you can come on down  
Cause this freak show's leaving the ground

Said we're Diverse City, we're colorful goods  
It's just a state of mind, we gonna shine the way that  
we should, baby  
So, if you wanna praise you can come on down  
Cause this freak show's leaving the ground

You bring the heart, I'll bring the soul  
I'll bring the flag, you bring the pole

We'll fly it high so the whole world knows  
The dream of a king 'bout to unfold

We 'bout to do this thing for real  
Diverse City got mass appeal  
So put your hand in the hand of mine  
And we'll spread this love like dandelions
