O come, all ye faithful, joyful and triumphant
O come ye, O come ye, to Bethlehem, to Bethlehem
Come and behold Him, born the King of angels, yeah

Come let us adore Him
Come let us adore Him
Come let us adore Him
Let us adore Him
Come let us adore Him
Come let us adore Him
Come let us adore Him
Let us adore Him

Gonna lift, gonna lift His name on high
His name, His name on high
Gonna lift, gonna lift His name on high
Our Savior's born tonight

O sing, choirs of angels, O sing in exultation
O sing, all ye bright hosts of Heaven above
Glory to God, sing

Come let us adore Him
Come let us adore Him
Come let us adore Him
Let us adore Him
Come let us adore Him
Come let us adore Him
Come let us adore Him
Let us adore Him

Gonna lift, gonna lift His name on high
His name, His name on high
Gonna lift, gonna lift His name on high
Our Savior's born tonight

To the break of dawn, we're gonna sing this song
Celebrate the day that our Savior's born
When Love reached down to all of mankind
Born of a virgin on a starry night
So I'll set the clock back so we can go long

'Cause you and you and you, we all belong
To the one King, the real thing
We sing

Come let us adore Him
Come let us adore Him
Come let us adore Him
Let us adore Him
Come let us adore Him
Come let us adore Him
Come let us adore Him
Let us adore Him
[x2]

Our Savior's born tonight
Our Savior's born tonight
Gonna lift His name on high
Gonna lift His name
Our Savior's born tonight
Our Savior's born tonight
Gonna lift His name on high
Gonna lift His name on high

We adore You, We adore You
(Our Savior's born tonight)
Gonna lift Your name on high
Gonna lift Your name on high

We adore You, We adore You
Gonna lift Your name on high
Gonna lift Your name on high

It's a merry Christmas, a merry Christmas
Our Savior's born tonight
