This is my skizzle.  
For lzzle.

Uh-uh  
Do what?  
What-what? What?

Now when I say, "Where my freaks?" You can say,  
"Woo-woo."  
So where my freaks?  
(Woo-woo)  
Where my freaks?  
(Woo-woo)

When I say, "Where my freaks?" You can say, "Woo-  
woo."  
So where my freaks?  
(Woo-woo)  
Where my freaks?

(Woo-woo)

Now when I say, "Where my freaks?" You can say,  
"Woo-woo."  
So where my freaks?  
(Woo-woo)  
Where my freaks?  
(Woo-woo)

When I say, "Where my freaks?" You can say, "Woo-  
woo."  
So where my freaks?  
(Woo-woo)  
Where my freaks?  
(Woo-woo)

Man, that jive was off the chain.
