My left hand stabbed  
Me  
Back.

Someone, anyone please  
I'm locked in a place that gets more confusing  
Everytime I hear my voices  
I must find out  
Where to get out  
I don't think I forgotten  
I was purified  
Before I was able to sit the test  
Now I gotta remember

All that I am,  
I of the damned.

Chorus:  
The power that I hold in me  
Is something I won't give in for free  
I know if I throw it away this time  
It may well be the end of the line

The power that is gold in me  
Is everything that I want to be  
I know if I hold it tight this time  
It will be the start of all things devine

I am one  
I am everyone  
Please know that I don't mean to hurt you  
I'm starting to grow  
I'm finding my own way to get out  
I don't need to forget  
Just keep my soul clean so that  
I can pass my test  
Now  
I remember

All that I am  
I of the damned

Chorus

My eternal flight  
I must fight for what I know is right

Chorus
