"Dance Like There's No Tomorrow"

Visit "[Dance Like There's No Tomorrow](#)" on [MotoLyrics.com](#)

All I wanna do is stay right here on the floor
Get lost in the night 'n' dance like there's no tomorrow
Don't care about the sunlight
Somebody please just hit the lights
All I wanna do is dance like there's no tomorrow

Today just wasn't my day
Everyone's gettin me so fed up
I gotta find a way
I know what can make me feel better
Steppin out in my best
Lookin hotter than ever
Wherever the party is
That's where I'll be in a second

I'm so ready to move my body
Forget about all my problems
When I hear my song
I'm a lose control
(hee hee)
Right

All I wanna do is stay right here on the floor
Get lost in the night and dance like there's no tomorrow
Don't care about the sunlight
Somebody please just hit the lights
All i wanna do is dance like there's no tomorrow

I'm loving the atmosphere
Feels like I'm floatin in heaven
The music's all in my ear
Takin over me
My hearts racin
Feelin so Hollywood
How I got everybody starin
There eyes on the cameras
And I'm lovin all the attention

Get up to move my body
Forget about all my problems
When I hear my song
I'm a lose control

(hee hee)
Right

All I wanna do is stay right here on the floor
Get lost in the night and dance like there's no tomorrow
Don't care about the sunlight
Somebody please just hit the lights
All I wanna do is dance like there's no tomorrow

Please DJ don't say it's the last call
'Cause I know what it means
And I don't want you to play no slow song
I'm still buildin the urge to talk to that guy
Just give me another song and make it right

I just wanna stay right here on the floor
Get lost in the night and dance like there's no tomorrow
Don't care about the sunlight
Somebody please just hit the lights
All I wanna do is dance like there's no tomorrow
All I wanna do is stay right here on the floor
Get lost in the night and dance like there's no tomorrow
Don't care about the sunlight
Somebody please just hit the lights
All I wanna do is dance like there's no tomorrow
