{Masson):

Ooooooo

I've been travelin' on so so long
Just tryin' to find My way back home
The old me is dead and gone
Dead and gone.

And ooooooo

I've been travelin so so long
Just tryin' to find my way back home
The old me is dead and gone
Dead and gone.

(Trace):

Ever had one of dem days you wish woulda stayd
home.
Run into a group of niggas getting they hate on.
You walk by.
They get wrong
You reply
Then get blown.
Way outta proportion way past discussion.
Just you against them, pick one then rush em.
Figure you get your hair? That next.
They dont wanna stop.
there now they bussin.

No more strass, now im straight, now I get it now I take
Time to think, before I make mistakes just for my
familys sake
That part of me left yesterday the heart of me is strong
today
No regrets im blessed to say the old me dead and
gone away.

(Trace):

I ain't never been scared, I lived through tragedy.
Situation coulda been dead, lookin' back at it.
Most of that stuff, didn't even have to happen.
But U dont think about it, when U out there trappin', in
apartments hangin'.
Smokin' and rappin'.
Kids start up, then know we cappin'.
Get locked up, then didnt even get mad.
Now think about damn, what a life I had.

No more strass, now im straight, now I get it now I take
Time to think, before I make mistakes just for my
familys sake
That part of me left yesterday the heart of me is strong
today
