She's going out to forget they were together  
All this time he was taking her for granted  
She wants to see if there's more  
Than he gave what she's looking for  
He calls her up Hes trippin on the phone now  
He doesnt want her out there  
And alone now  
He knows shes movin it  
Knows shes using it  
Now hes losing it  
She dont care

Everybody put up your hands  
Say I dont wanna be in love  
I dont wanna be in love  
Feel the beat now  
If youve got nothing left  
Say I dont wanna be in love  
I dont wanna be in love  
Back it up now  
Youve got a reason to live  
Say I dont wanna be in love  
I dont wanna be in love  
Feelin' good now  
Dont be afraid to get down  
Say I dont wanna be in love  
I dont wanna be in love

He was always giving her attention  
Looking hard to find the things she mentioned  
He was dedicated  
But most suckers hate it  
That girl was fine  
But she didnt appreciate him

She calls him up  
Shes tripping on the phone now  
He had to get up  
And he aint comin home now  
Hes tryin to forget her  
Thats how we come with him  
When he first met her

When they first got together

Everybody put up your hands  
Say I dont wanna be in love  
I dont wanna be in love  
Feel the beat now

If you got nothing left  
Say I dont wanna be in love  
I dont wanna be in love  
Back it up now  
You got a reason to live  
Say I dont wanna be in love  
I dont wanna be in love  
Feelin' good now  
Dont be afraid to get down  
Say I dont wanna be in love  
I dont wanna be in love

To the beat (x3)  
You got nothing to lose  
Dont be afraid to get down

We break up  
Its something that we do now  
Everyone has got to do it sometime  
Its okay, let it go  
Get out there and find someone

Its too late to be trippin' on the phone here  
Get off the wire  
You know everything is good here  
Stop what youre doin'  
You dont wanna ruin  
The chance that you got to  
Find a new one

Everybody put up your hands  
Say I dont wanna be in love  
I dont wanna be in love  
Feel the beat now  
If you got nothing left  
Say I dont wanna be in love  
I dont wanna be in love  
Back it up now  
You got a reason to live  
Say I dont wanna be in love  
I dont wanna be in love  
Feelin' good now  
Dont be afraid to get down  
Say I dont wanna be in love

I dont wanna be in love

Nooo...Noooo
