She's just a friend, you see
You always agree
You know, I lie
But you still trust me
And you, believed, in so much hope
But I'm, the one, that let you go

Now that we're done
I'm so sorry
Why did I lie?
I'm so sorry
I know I hurt you,
I know I hurt you

Now that we're done
I'm so sorry
Why did I lie?
I'm so sorry
I know I hurt you
I know I hurt you

You still call, my phone
Cause you still want me
I tell, my friends
You're so annoying
You cry, you curse
When you're alone
But laugh, and flirt
When we're on the phone

Now that we're done
I'm so sorry
Why did I lie?
I'm so sorry
I know I hurt you
I know I hurt you

Now that we're done
I'm so sorry
Why did I lie?
I'm so sorry
I know I hurt you

I know I hurt you

Now that we're done
I'm so sorry
Why did I lie?
I'm so sorry
I know I hurt you
I know I hurt you

Now that we're done
I'm so sorry
Why did I lie?
I'm so sorry
I know I hurt you
I know I hurt you

And now I see you
With him
And it was nothing like I thought it'd be
And now I see you
With him
And it was nothing like I thought it'd be

(And I would break down)
And now I see you
With him ~ (For you)
And it was nothing like I thought it'd be
(And I would break down)
And now I see you
With him ~ (For you)
And it was nothing like I thought it'd be

Now that we're done
I'm so sorry
Why did I lie?
I'm so sorry
I know I hurt you
I know I hurt you

Now that we're done
I'm so sorry
Why did I lie?
I'm so sorry
I know I hurt you
I know I hurt you

Now that we're done
I'm so sorry
Why did I lie?
I'm so sorry
I know I hurt you

I know I hurt you

Now That we're done

I'm so sorry

Why did I lie?

I'm so sorry

I know I hurt you

I know I hurt you
