She turned me on
But now I'm shaking
She shoots it in
And I keep taking

But they don't see
She's down with me tonight
(It's time to push off)

She's such a rush
She's such a crush
She's one in a million
She's such a rush
Can't get enough
She's pumping through my veins
She's too fun to be so gone with me
Too good to be true to me

She's over my head
She's all I need
I'm so strung out
She's out of my league

But they don't see
She's down with me tonight
(Time to push off)

She's such a rush
She's such a crush
She's one in a million
She's such a rush
Can't get enough
She's pumping through my veins
She's too fun to be so gone with me
Too good to be true to me

Oh, oh, she's too good to be true
I'm hooked up when we do what we do
Can't you see she's the sweat my sheets?
Can't you see she's all that I need?
Can't you see she's all that I need?

She's such a rush
She's such a crush
She's one in a million
She's such a rush
Can't get enough
She's pumping through my veins
She's too fun to be so gone with me
Too good to be true to me
Too good to be true to me
Too good to be true to me
