I wish we were older  
I wish we were older  
I wish we were older

Keep your body moving, girl  
The beat is bumpin'  
Go ahead and let them talk  
Their words mean nothin'

I know you're scared  
But don't leave this place  
Just turn around  
And let me see your face  
And now you're cryin' and you hold me  
And you whisper in my ear

Whoa-e, whoa-e, oh-oh  
Oh-we, oh-we, oh-oh  
Whoa-e, whoa-e, oh-oh  
I wish we were older

Whoa-e, oh-we, oh-oh  
Oh-we, oh-we, oh-oh  
Whoa-e, whoa-e, oh-oh  
I wish we were older  
I wish we were older

Tonight we'll touch  
And they won't know  
I know you're dyin'  
To take off your clothes

Just trust in me  
I'll never run away  
You kiss my lips  
And you taste my pain  
And while I'm pushin' and I'm movin'  
Somehow you manage to say

Whoa-e, whoa-e, oh-oh  
Oh-we, oh-we, oh-oh  
Whoa-e, whoa-e, oh-oh

I wish we were older

Whoa-e, oh-we, oh-oh  
Oh-we, oh-we, oh-oh  
Whoa-e, whoa-e, oh-oh  
I wish we were older

Just take my hand  
I'll never let go  
Just take my hand  
I'll never let go

Just take my hand  
(I love you and I hate you)  
I'll never let go  
(Now I'm dyin' and I'm cryin')

Just take my hand  
(But I kiss you and I hold you)  
I'll never  
(And you hold me closer)  
(You scream at me and say)

Whoa-e, whoa-e, oh-oh  
Oh-we, oh-we, oh-oh  
Whoa-e, whoa-e, oh-oh  
I wish we were older

Whoa-e, oh-we, oh-oh  
Oh-we, oh-we, oh-oh  
Whoa-e, whoa-e, oh-oh  
I wish we were older

And don't cry now  
And don't cry now
