1st Verse

Oh, yeah
I'm runnin' 'round like a chicken without its head on
I just can't get on
Back on track
Havin' trouble tryin' to do these every day things
I just can't think where I'm at

Pre Chorus

People ask what's up with me
'Cause they see there's somethin' wrong
But there's only one thing that I can think of

1st Chorus

What's wrong with me
Is I'm not with you
I'm not complete
I'm torn in two
Baby, can't you see
That I can lose
The best part of me
If I lose you
I can't think of anything else it could be
That's what's wrong with me

2nd Verse

I crash a bar to keep from feelin' lonely
With friends around me
But it doesn't work
A beautiful girl comes up and sits beside me
She smiles right at me
But I never look

Pre Chorus

I hear someone ask what's wrong with me
To let that good thing go
But I don't see how she could ever know

Tag Chorus

What's wrong with me
Is I'm not with you
I'm not complete
I'm torn in two
Baby, can't you see
That I can lose
The best part of me
If I lose you
I can't think of anything else it could be
I'm such a mess without you here with me
Well, my heart's locked up, and baby, you're the key
And I don't know how that I can make you see
What's wrong with me
Aww, yeah

Runnin' 'round like a chicken without its head on
I just can't get on
That's what's wrong with me, yeah
(What's wrong with me, what's wrong with me, what's
wrong with me)
Havin' trouble tryin' to do these every day things
I just can't think
That's what's wrong with me, yeah
(What's wrong with me, what's wrong with me)
What's wrong with me (what's wrong with me)
