Mama made me go to Sunday School
Made sure I knew wrong from right
Made me walk the straight and narrow path
Most everyday of my life
I never let temptation get a hold on me
That much I can confess
But, girl mama wouldn't like the way I'm thinking
When you wear that mini dress

YOU BRING OUT THE DEVIL IN ME
I do things you don't normally see
Get the holy water ready I need exorcised
I've been denounced I've been cast out
Only prayers can help me now
You wouldn't think a man like me has been baptized
There's no doubt
YOU BRING OUT THE DEVIL IN ME

After the kids are in bed and the dog's been fed
It's our time to relax
You slip into something more comfortable
While I run your bubble bath
An Angel's face full of grace
You get what you want so easily
Girl, when you look at me with that look in your eyes
I have to take off my wings

YOU BRING OUT THE DEVIL IN ME
I do things you don't normally see
Get the holy water ready I need exorcised
I've been denounced I've been cast out
Only prayers can help me now
You wouldn't think a man like me has been baptized
There's no doubt
YOU BRING OUT THE DEVIL IN ME

If mama knew half the things we do
She'd probably roll over in her grave
But, when I was eight I stayed up late
And heard my daddy say

YOU BRING OUT THE DEVIL IN ME

I do things you don't normally see
Get the holy water ready I need exorcised
I've been denounced I've been cast out
Only prayers can help me now
You wouldn't think a man like me has been baptized
There's no doubt
YOU BRING OUT THE DEVIL IN ME
