"Here The Bells"

Visit "[Here The Bells](#)" on MotoLyrics.com

Hear the bells a-calling from the village just a mile
away
My true love is waiting in the village just a mile away
Hup hup, bum bum de waddle de way
Bum bum de waddle de way,
Bum bum de waddle de way
Bum bum de waddle de way

Hear the bells a-ringing in the village and they seem to
say
I should be with my true love in the village just a mile
away.
Hup hup, bum bum dewaddle de way
Bum bum de waddle de way
Bum bum de waddle de way
Bum bum de waddle de way

(Fiddle break)

Hear the bells a-ringing in the village just a mile away
I should be with my true love in the village just a mile
away
Hup hup, bum bum dewaddle de way
Hup, bum bum de waddle de way
Hup, bum bum de waddle de way
Hup, bum bum de waddle de way
Hup, bum bum
