Are told today, told today, told today, told today

I'm sorry, I'm sorry, I'm sorry, I'm sorry

They washed away, washed away, washed away,
washed away

No more stories, no more stories, no more stories, no
more stories

The world is grey, world is grey, world is grey, world is
grey

I'm tired, I'm tired, I'm tired, I'm tired

Let's wash away, wash away, wash away, wash away

No more stories, no more stories...
