are you my lady, are you?  
if i don't make it back from the city  
then it is only because i am drawn away  
for you see  
evidently there's a dark storm come  
and the chain on my swing is squeaking like a mouse  
so are you my lady, are you?  
the rain, the rain, the rain is falling down  
the cars remain  
you're tall just like a giraffe  
you have to climb to find it's head  
but if there's a glitch  
you're an ostrich  
you've got your head in the sand  
in a submersible i can hardly breathe  
as it takes me inside, so the light sings  
answer me truthfully  
do the clouds kiss you  
with meringue-coloured hair  
i know they cannot  
so are you my lady, are you?  
santa ana winds bring seasickness  
zookeeper hear me out  
how dare you go?  
cold in the rain  
tall just like a giraffe  
you have to climb to find it's head  
but if there's a glitch  
you're an ostrich  
you've got your head in the sand  
are you my lady, are you?  
the rain, the rain, the rain is falling down  
the cars remain  
i could not be seen with you  
working half the time and looking fine  
in cars re-made
