Empty streets  
I follow every breath into the night  
The wind so cold  
The sun has frozen  
The world has lost its light  
I carry your picture  
Deep in me  
Back to you  
Over 1000 seas  
Back to us  
Don't you lose your trust and your belief  
Just trust me

(chorus)  
We have to go 1000 oceans wide  
1000 dark years when time has died  
1000 stars are passing by  
We have to go 1000 oceans wide  
1000 times against an endless tide  
We'll be free to live our life

I know somewhere  
We'll find a little place for you and me  
It all turned out  
A different way  
Can't feel the pulse  
In our veins  
So weak today  
We'll let our heartbeat  
Guide us through the dark  
Just trust me

(chorus)  
We have to go 1000 oceans wide  
1000 dark years when time has died  
1000 stars are passing by  
We have to go 1000 oceans wide  
1000 times against an endless tide  
We'll be free to live our life

There's nothing and no one we'll miss

And one day we'll look back with no regrets

1000 oceans wide  
1000 endless years have died  
1000 oceans wide  
1000 stars are passing by  
Passing by

Please don't drift away from me  
Please don't drift away from me

We have to go 1000 oceans wide  
1000 dark years when time has died  
1000 stars are passing by  
We have to go 1000 oceans wide  
1000 times against an endless tide  
Then we'll be free

Please don't drift away from me  
Please don't drift away from me

1000 oceans wide.
