(oh oh oh)  
(woah oh oh oh)  
(Woah oh oh oh)  
(Woah oh oh oh)

Hello!  
Hello!

On the tv,  
In your face,  
on radio-oh

Its a riot,  
Its a riot,  
They say no-oh

You are frantic,  
Don't you panic,  
Let it go-oh

We are,we are, we are

In the cities,  
On the streets,  
Around the glo-be

They turn  
everything you love  
into verbo-ote

From the cradle,  
To the grave,  
part of the show-oh

We are, we are, we are  
Radio hysteria

Hello!  
The end is near

Hello!  
We're still standing here

The future's just begun  
on the dark side of the sun  
on the dark side of the sun

HELLO!  
HELLO!

All the weapons  
in your head  
under contro-ol

With their radars  
they are chasin'

our sou-oul

Time is running  
but your future's  
Long ago-oh

We are, we are, we are  
Radio hysteria

Hello!  
The end is near

Hello!  
We're still standing here

The future's just begun  
on the dark side of the sun  
on the dark side of the sun  
on the dark side of the sun  
on the dark side of the sun!

Will you stand the pain?  
When I'm by your side  
Will you follow me into the night?

They're not gonna get us  
We'll be alright.

And one day  
The dark side will  
shine

For us!  
For us!

HELLO!

The end is near

Hello!

We're still standing here

The future's just begun  
on the dark side of the sun  
on the dark side of the sun  
on the dark side of the sun  
on the dark side of the sun!
