Don't wanna run on your command
Don't wanna keep on coming back
Don't wanna swallow all your lies
Wanna feel alive

Don't wanna hold on to your truth
Don't wanna keep on lovin' you
Don't wanna look through jaded eyes
Wanna feel alive

We are dogs unleashed
(You and I)
We are dogs unleashed
(You and I)

We are dogs unleashed, out of control
Full of dreams, nobody knows
Unleashed, dyin' to escape
We don't wanna suffocate

We are dogs unleashed
We are dogs unleashed
We are dogs unleashed
Tonight, tonight

We gonna scratch, we gonna bite
We turn your game into a fight
We're howlin' to the moon at night
Tonight

We are dogs unleashed
(You and I)
We are dogs unleashed
(You and I)

We are dogs unleashed, out of control
Full of dreams, nobody knows
Unleashed, dyin' to escape
We don't wanna suffocate

We are dogs unleashed
We are dogs unleashed

We are dogs unleashed

Touch me, treat me, love me, feed me
Touch me, treat me, love me, feed me
(Dogs unleashed, we are dogs unleashed, dogs
unleashed)
Touch me, treat me, love me, feed me
(Dogs unleashed, we are dogs unleashed, dogs
unleashed)

Tonight, we are dogs unleashed, out of control
(We are dogs unleashed)
Full of dreams, nobody knows
Unleashed, dyin' to escape
(We are dogs unleashed)
We don't wanna suffocate

We are dogs unleashed
(Treat me)
We are dogs unleashed
(Feed me)
We are dogs unleashed
Tonight, tonight
