Can I drive you home,
Can I crash into your life?
Can you fix my soul,
Can you break my heart tonight?

Some angels don't cry,
And we are, and we are,
Just the two of them,
And we're falling through the sky.
And tonight...

I'll get down on you, get down on you,
Blessed kisses raining.
I'll get down on you, get down on you,
Don't let wishes fade in.
Run into your abstract dreams
It's a point of view,
I'd go down down down,
To get up on you,
I'll get down on you, get down on you.

Can I fill you up
With my emptiness tonight?
Can I hold your hand
As we slip into the light?
Cause angels fall down,
And we are, and we are,
Just two damaged souls,
But it's heaven when we die.
And tonight...

I'll get down on you, get down on you,
Blessed kisses raining.

I'll get down on you, get down on you,
Don't let wishes fade in.
Run into your abstract dreams
It's a point of view,
I'd go down down down,
To get up on you,
I'll get down on you, get down on you.

(We are, we are)
Angels, angels don't cry.
(We are, we are.)
Two souls collide,
(We are, we are.)
Coming tonight.

I'll get down on you, get down on you,
Blessed kisses raining.
I'll get down on you, get down on you,
Don't let wishes fade in.
Run into your abstract dreams
It's a point of view,
I'd go down down down,
To get up on you,
I'll get down on you, get down on you.

Can I drive you home,
Can I crash into your life?
Can you fix my soul,
Can you break my heart tonight?
