## "Forgotten Children"

Just a normal day  
Streets turn into graves  
Traces have been removed  
The search was disapproved  
So cold the night  
The weak ones lose the fight  
Too many of them out there  
Noone seems to care

Lost and so alone  
Born but never known  
Left all on their own  
Forgotten children  
We'll never hear a name  
They carry all the blame  
Too young to break the chains  
Forgotten children

They see, they feel, believe  
Just like we do  
They're laughing, and crying  
Wanna live here  
Like me and you

Eyes without light  
Too tired of good-byes  
Never felt embraced  
And frightened of every face  
A life in disguise

Hope forever died

Lost and so alone  
Born but never known  
Left all on their own  
Forgotten children  
We'll never hear a name  
They carry all the blame  
Too young to break the chains  
Forgotten children

They see, they feel, believe

Just like we do  
The're laughing and crying  
Wanna live here  
Like me and you

It shouldn't really be that way  
It shouldn't really be that way

We see, we feel, believe  
Just like you  
We're laughing and crying  
Wanna live here  
We see, we feel, believe  
Just like you  
We're laughing and crying  
Wanna live here  
Just like you
