My apartment like a barrenland
I write a letter to unknown
my reflection is wanted
my wanted poster is my body

I dont want to go back
just out of here
air on my face
I'm weightless and I realize
This isnt what my life used to be

Free in a freefall and now where else
I am free in a freefall
nothing else

1000 eyes are on me
Give their everything for the moment
And then everything freezes over
I keep myself warm for the escape

Free in a freefall and now where else
I am free in a freefall
nothing else

I just want to be free
Just be free one time
I want to be free
come let me fall

Let me fall

Free in a freefall and now where else
I am free in a freefall
nothing else

Free in a freefall and now where else
I am free in a freefall
nothing else

Free in a freefall and now where else
I am free in a freefall
nothing else

Let Me Fall
