"Free In Free Fall"

My home
Dead land
I write a letter
To the unknown
(My) Reflection
Is wanted
My wanted list
Is in my blood
I will not, go back
I just want to, get out of here
Air in face
I'm weightless
And I see clearly
This isn't my life
Free in free fall
And nowhere else
I am free in free fall
There's no other way

1.000 Eyes
All at me
Giving everything
For the moment
And then,
Everything turns to Ice
(And I) keep myself warm

I want to be free
Just to be Free
Only want to be Free
Let me FALL!
Let me FALL!
