Iâ€™ve landed here somewhere
I canâ€™t tell anymore, who I am
Iâ€™ve lost my memory
The pictures donâ€™t make any sense
Take me back, take me home
I canâ€™t make out of here alone

Come and help me fly
Lend me your wings
I exchange them for the world
For everything, that keeps me
Iâ€™ll exchange them tonight
For everything, that I have

Tell me all of the lies
Make me believe them
I canâ€™t breath anymore
And this silence makes me deaf
Just dark walls and no light
Everything here is without me

Come and help me fly
Lend me your wings
I exchange them for the world
For everything, that keeps me

Iâ€™ll exchange them tonight

I canâ€™t find myself here anymore
I donâ€™t recognize myself anymore
Come and help me out of here
I would give anything for that
I am eager
And want to go back
Iâ€™m moving away more and more
Every second

Iâ€™ve landed here somewhere

Come and help me fly
Lend me your wings
I exchange them for the world

For everything, that keeps me
Iâ€™ll exchange them tonight

Come and help me fly
Lend me your wings
I exchange them for the world
For everything, that keeps me
Iâ€™ll exchange them tonight
For everything, that I have

For everything, that I have
