'M keeping myself awake for you

We can't both make it, you don't know it
I am giving up myself for you now
My last will helps you to get out
Before the sea underneath me shatters
I believe in you

You will for me, forever be holy
I die, for our immortality
My hand, from the beginning
Above you, I believe in you
You will for me, forever be holy

You break the cold when you talk
With every breath of you, you set me free
Keep breathing if you can
Even though the sea shatters beneath you
I believe in you

You will for me, forever be holy
I die, for our immortality
My hand, from the beginning
Above you, I believe in you
You will for me, forever be holy

I am looking through the sea, and see your light, above
me
I sink, and sink, away from you

Don't look behind
Believe in you
I believe in you

You will for me, forever be holy...
