With me  
Somewhere  
One night  
To share  
Just you  
And me  
We spread  
The seed

Eyes catch  
You are so natural

[Chorus]  
Human connect to human  
Boy meets girl, know what to do  
Human connect to human  
How can I connect to you? (2x)

A kiss  
A touch  
Never enough  
So soft  
So hot  
Don't stop  
You start

And test the skills like animal

Human connect to human  
Boy meets girl, know what to do  
Human connect to human  
How can I connect to you?  
Human connect to human  
Girl meets girl, know what to do  
Human connect to human  
How can I connect to you?

Let me interact  
How can I connect? (x2)

Hit me! (x4)

Human connect to human  
Boy meets girl, know what to do  
Human connect to human  
How can I connect to you?  
Human connect to human  
You and me know what to do  
Human connect to human  
How can I connect to you?

Let me interact  
How can I connect? (x2)
