My eyes lookin' at me wearily
Never takin' comfort
I cannot face myself no more
Am disposed
Ev'rything's always true
Cannot find myself inside me
All gone like in delusion
Seeing myself more 'n' more vanishin'

I'm not me when you are not with me
I will be alone
And everythin' that is still left of me
Don't wanna be alike
Outside the heaven hangs aslope
And on the wall your farewell note
I'm not me when you are not with me
I will be alone

I've forgotten who I am
And what's still important
That is everythin' somewhere where you are
Without you through the night
I can't find anythin' inside me
What have you done with me
I see myself more 'n' more vanishin'

I'm not me when you are not with me

I will be alone
And everythin' that is still left of me
Don't wanna be alike
Outside the heaven hangs aslope
And on the wall your farewell note
I'm not me when you are not with me
Don't want to be alike

Ohh uh ohhhh

I'm slowly disintegratin'
Don't keep detainin' me
I cannot get you out of me again
No matter where you are

Come and rescue me

I am not me when you are not with me
I will be alone
And everythin' that is still left of me
Don't wanna be alike
Outside the heaven hangs aslope
And on the wall your farewell note
I'm not me when you are not with me
Don't want to be alike
