[John Lennon cover]

Instant karma's gonna get you
Gonna knock you right on the head
You better get yourself together
Pretty soon you gonna be dead
What in the world you're thinking of
Laughing in the face of love?
What on earth are you trying to do?
It's up to you - yeah you

Instant karma's gonna get you
Gonna look you right in the face
Better get yourself together darling
Join the human race
How in the world you gonna see
Laughing at fools like me?
Who in the hell do you think you are?
A superstar? Well, right you are

Well we all shine on
Like the moon and the stars and the sun
Well we all shine on
Everyone come on

Instant karma's gonna get you
Gonna knock you off your feet

Better recognize your brothers
Everyone you meet
Why in the world are we here?
Surely not to live in pain and fear
Why in earth are you there
When you're everywhere?
Come and get your share

Well we all shine on
Like the moon and the stars and the sun
Well we all shine on
Come on and on and on on on

Well we all shine on

Like the moon and the stars and the sun
Yeah we all shine
On and on and on on on

Yeah we all shine on
Like the moon and the stars and the s
Yeah we all shine on
Like the moon and the stars and the sun
Well we all shine on
Like the moon and the stars and the sun
Well we all shine on
Like the moon and the stars and the sun
