I can give you
You can give me
Something, everything

You are with me
I am with you
Always, Join me in

[Chorus:]
Love and death
Love and death
Don't you mess don't you mess
With my heart

Love and death
Love and death
Don't you mess don't you mess
With my heart
With my heart..
With my heart..

Fragile Pieces
Don't regret the sorrows
That we've seen

Take it with us
Step into tomorrow
Join me in

Love and death
Love and death
Don't you mess don't you mess
With my heart

Love and death
Love and death

Don't you mess don't you mess
With my heart
With my heart..
With my heart..

All the pain that we've been through
I'll be dying to save you
Feel the blood in my veins flow
I'll be dying to save you

Love, am I watching you swim,
Or just seeing you drown?
Is this tragedy of comedy?

With my heart.....
With my heart.....

Love and death
Love and death
Don't you mess don't you mess
With my heart

Love and death
Love and death
Don't you mess don't you mess
With my heart

LOVE..
DEATH..
LOVE..
DEATH...
