Come on

There are days, when you feel so small
And you know, you could be so tall
You think you got no chance
Look at the end, look what we do
Here and now, we need you
Silence can destroy, get up and raise your voice

Make some noise
Here and now
Noise
To the world, noise
All the things you believe in, noise
Let them hear you, noise
Let them feel you, noise
Make them know that you can make noise, noise

You are free
You are innocent
You believe in a happy end
Days turn into years
Now you're here
With your broken mind
While your dreams, are sleeping quiet
Silence can destroy
Get up and raise your voice

Make some noise
Here and now
Noise
To the world, noise
All the things you believe in, noise
Let them hear you, noise
Let them feel you, noise
Make them know that you can make noise, noise

Can you feel it
Can you feel it
Can you feel it
Can you feel it

Come on
Come on

As everything, you've ever been
Why don't we share, come take me there

Whoa-o-o
Noise
Whoa-o-o
Noise
Whoa-o-o

You can make them feel that they care

Noise
Whoa-o-o
Noise
Whoa-o-o
Noise
Whoa-o-o

You can make them feel that they care

Noise
Whoa-o-o
Noise
Whoa-o-o
Noise
