Promises, I scratch so deep
in your empty seat
The sky is turning upside down
I turn the wheel around

Kiss me goodbye, into the light
like a Phantomrider
I'm dying tonight
So dark and cold
I drive(?) alone
like a Phantomrider
Can't make it all on my own.

I don't know your name
but still believe
Now it's time for you and me
Time for you and me
Time for you and me

Now I'm here
No more fears
Angel don't you cry
I'll meet you
on the other side
Goodbye
into the light
Like a Phantomrider
I'm dying tonight
So dark and cold
