This used to be our secret  
Now I'm hiding here alone  
Can't help but read our names on the wall  
And wash them off the stone

I trusted you in every way  
But not enough to make you stay  
Turn around  
I've lost my ground

Come and rescue me  
I'm burning, can't you see  
Come and rescue me  
Only you can set me free  
Come and rescue me  
Rescue me  
Rescue me

We lied when we were dreaming  
Our crying was just fake  
I wish you could deny it  
Here and today

My SOS on radio  
The only chance to let you know  
What I fear  
Can you hear?

Come and rescue me

I'm burning, can't you see  
Come and rescue me  
Only you can set me free  
Come and rescue me  
Rescue me  
You and me  
You and me  
You and me

The walls are coming closer  
My senses fade away  
I'm haunted by your shadow

I reach to feel your face  
You're not here  
Are you here?

Come and rescue me  
Rescue me

Come and rescue me  
I'm burning, can't you see  
Come and rescue me  
Only you can set me free  
Come and rescue me  
Rescue me  
You and me  
You and me  
Rescue me  
You and me  
Set me free  
Rescue me
