why am i alive
it's such a tragedy
no one can leave me alone
it's so annoying

god help me fix my life
the song i am singing
if filled with hate and feith
my brother is siting on a chair
stuming the guitar

the course he missed, i yelled for
baby on top mountain
fixing life of me
everybody around me
everybody go home

fixing my life
fixing for you
for fans i dance and wave
loving me

some times i feel black
but why not puprple or green
somebody help me now
find me a way
a way home
the place i belong

the fame is tearing me apart
rumors are starting
never ending
the world is round
but i'm flat
my heart's black
and it will never come back

something came be fix
but nothing can be realized
in my eyes thers me
me me me me
so black

my hair
my eyes
my nose
my every thing
is rumor

godless i want you
i want you
on mountain i will buy
just a nother concet out
money high
again rumors starting

being black
being purple
being grey
my heart is just a flame
that it will turn to pain
