I'm still awake for you
We won't make it together
We can't hide the truth
I'm giving up for you now
My final wish will guide you out
Before the ocean breaks apart
Underneath me
Remember

To me you'll be forever sacred
I'm dying but I know
Our love will live
Your hand above
Like a dove
Over me
Remember
To me you'll be forever sacred

You break the ice when you speak
With every breath you take
You save me
I know that one day
We'll meet again
Try to go on as long as you can
Even when the ocean breaks apart
Underneath you
Remember

To me you'll be forever sacred
I'm dying but I know

Our love will live
Your hand above
Like a dove
Over me
Remember
To me you'll be forever sacred

Forever you
Forever sacred
Forever you
You will be sacred

In your eyes
I see the hope
I once knew
I'm sinking
I'm sinking
Away from you

Don't turn around
You'll see
You can make it
Never forget

To me you'll be forever sacred
I'm dying but I know
Our love will live
Your hand above
Like a dove
Over me
And one day
The sea will guide you
Back to me
Remember
To me you'll be forever sacred
To me you'll be forever sacred
