Hello
You're standing at my door
There's no one on this floor
Only you and I
Ok
Come on inside and then
We'll see hwat happens in...
Room 483

In here the day is always dark
The light comes from the mini bar
The morning will be darker still

Welcome to the hotel
We'd just be talking
And now you lay here
And I lay beside you
talk..talk...talk,,,

Come here
No one is coming near
The sign is on the door
DONT DISTURB

No way
Were not going anywhere
The world tonight is right here
Come back lay down here
Your lips are moving as you speak more slowly
Please dont talk so quick
What time is it now

I cant tell

Welcome to the hotel
We'd just be talking
And now you lay here
And I lay beside you
talk..talk...talk,,,

I hear the fire alarm
The people running out

There dragging me
They shout
But all I think is me with you
talk...talk...

Welcome to the hotel
We'd just be talking
And now you lay here
And I lay beside you
talk..talk...talk,,

Welcome to the hotel
We'd just be talking
And now you lay here
And I lay beside you
talk..talk...talk,,

talk...talk...talk...talk....
