Hello -  
You're standing by my door  
There's anybody else here -  
Except you and me -  
Come in -  
The rest is history  
In Zimmer 483

In here  
It's never really a day  
The light comes  
Out of the Minibar  
And tomorrow  
It won't also be bright  
Welcome in the Hotel

We only want to -  
Talk  
And now -  
You lie here  
And I lie on your side -  
Talking -  
Talking

Come here -  
We won't be disturbed  
I have already make it clear -  
Don't disturb  
Nevermind -  
Where we will be tomorrow  
The world is now in here.  
Lay down here again

Il hear you  
See your face  
Your lips -  
Are opening  
Red slowly -  
Please, not so fast -  
Welcome in the Hotel

We only want to -

Talk  
And now -  
You lie here  
And I lie on your side -  
Talk -  
Talk

By the door alarm -  
The whole world is calling  
Everybody is pulling me  
I don't want to, except with you -  
Talk -  
Talk
