Rain falls  
It don't  
Touch the ground  
I can  
Recall  
An empty house  
You say I'm fixed  
But I still feel broken...  
Broken  
Lights on  
Lights off  
Nothing works  
I'm cool  
I'm great  
I'm a jerk  
I feed myself lies  
With words left unspoken  
Gonna be Ok  
Gonna be Ok  
One day  
One day

That day never came  
That day  
Never comes  
I'm not letting go  
I keep hangin' on  
Everybody says  
That time heals the pain  
I've been waiting forever  
That day never came

You said I'd be  
Comin' home  
They said  
He's fine  
Left alone  
The screams in my mind  
I keep them a secret...  
A secret  
Doctors and your  
Promises

Phycics, healers  
I've seen the best  
Whatever they sell  
Sure to know how to deal with it  
Gonna be Ok  
Gonna be Ok  
One day  
One day

That day never came  
That day  
Never comes  
I'm not letting go  
I keep hangin' on  
Everybody says  
That time heals the pain  
I've been waiting forever, forever  
That day never came

Gonna be Ok  
Gonna be Ok  
One day

That day never came  
That day  
Never comes  
I'm not letting go  
I keep hangin' on  
Everybody says  
That time heals the pain  
I've been waiting forever, forever  
That day never came  
Forever  
That day never came
