Hello  
Hello

On the TV, in your face, on radio, oh  
It's a riot, it's a riot  
They say no, oh  
You're frantic, don't you panic  
Let it go, oh  
We are, we are, we are

In the cities, on the streets  
Around the globe, oh  
They turn everything you love into verbot, oh  
Front the cradle, to the grave  
Part of the show, oh  
We are, we are, we are  
Radio hysteria!

Hello, the end is near  
Hello, we're still standing here

The future's just begun  
On the dark side of the sun  
On the dark side of the sun

Hello  
Hello!

All the weapons, in your head under control, oh  
With their radars, they are chasing, our soul, oh  
Time is runnig, but your future is long ago, oh  
We are, we are, we are

Radio Hysteria!

Hello, the end is near  
Hello, we're still standing here

The future's just begun  
On the dark side of the sun  
On the dark side of the sun  
On the dark side of the sun

On the dark side of the sun

Will you stand the pain  
When I'm by your side  
Will you follow me into the night  
They're not gonna get us  
We'll be alright  
And one day the dark side will shine

For us  
For us

Hello, the end is near  
Hello, we're still standing here

The future's just begun  
On the dark side of the sun  
On the dark side of the sun  
On the dark side of the sun  
On the dark side of the sun
