I'm staring at a broken door,
There's nothing left here anymore.
My room is cold,
It's making me insane.

I've been waiting here so long,
But now the moment seems to 've come,
I see the dark clouds coming up again.

CHORUS

Running through the monsoon,
Beyond the world,
To the end of time,
Where the rain won't hurt

Fighting the storm,
Into the blue,
And when I lose myself I think of you,
Together we'll be running somewhere new...

Through the monsoon.
Just me and you.

A half moon's fading from my sight,
I see your vision in it's light.
But now it's gone and left me so alone
I know I have to find you now,
Can hear your name, I don't know how.
Why can't we make this darkness feel like home?

CHORUS

Running through the monsoon,
Beyond the world,
To the end of time,
Where the rain won't hurt

Fighting the storm,
Into the blue,
And when I lose myself I think of you,
Together we'll be running somewhere new...
And nothing can hold me back from you.

Through the monsoon. Hey! Hey!

BRIDGE

I'm fighting all this power,
Coming in my way
Let it take me straight to you,
I'll be running night and day.

I'll be with you soonÂ...
Just me and you.

We'll be there soonÂ...
So soon.

CHORUS

Running through the monsoon,
Beyond the world,
To the end of time,
Where the rain won't hurt

Fighting the storm,
Into the blue,
And when I lose myself I think of you,
Together we'll be running somewhere newÂ...
And nothing can hold me back from you.

Through the monsoon.
Through the monsoon.
Just me and you.
Through the monsoon.
Just me and you.
