She is everything that you've never seen
And I think about her every hour, every day
Everyone has the same hallucination
Even for some girls she is a fascination

So, do you know yet?

She is topic # 1, 2, 3, 4, 5 and 6
Takes your hand in your dreams and when you wake up
she is gone
She is topic # 1, 2, 3, 4, 5 and 6
Open your eyes, when she comes along
You can get over or away from her

In school time stands still and all rooms are empty
Britney is so yesterday, nobody is interested in her
anymore
Some have seen her in teacher's rest rooms
And when you say you haven't seen her you are lying
And in secret you love her show

She is topic # 1, 2, 3, 4, 5 and 6
Takes your hand in your dreams and when you wake up
she is gone
She is topic # 1, 2, 3, 4, 5 and 6
Open your eyes, when she comes along
You can get over or away from her

Over her

You look at her and cry
It's sad but you know, she will always be your Topic # 1

Yesterday I didn't think of her for one whole hour
But then I woke up thinking of her against my will
You know that she makes you addicted

She is topic # 1, 2, 3, 4, 5 and 6
Takes your hand in your dreams and when you wake up
she is gone
She is topic # 1, 2, 3, 4, 5 and 6
Open your eyes, when she comes along

You can get over or away from her

Over her
