Is there anybody out there
Walking alone
Is there anybody out there
Out in the cold
One heartbeat
Lost in the crown
Is there anybody shouting
What no one can hear
Is there anybody drownin'
Pulled down by the fear
I feel you
Don't look away

Zoom into me
Zoom into me
I know you're scared
When you can't breath
I will be there
Zoom into me

Is there anybody laughing
To kill the pain
Is there anybody screamin'
The silence away
Just open your jaded eyes

Zoom into me
Zoom into me
I know you're scared
When you can't breath
I will be there
Zoom into me

Come closer
And closer

When you can't breath
I will be there
Zoom into me

Zoom into me
Zoom into me

When the world
Cuts your soul into pieces
And you start to bleed
When you can't breathe
I will be there
Zoom into me
