[Boulton/Marsh/Wiggins]

Stare through the window, a cold and empty cell  
Recalling all the fear I feel about this night  
Time's standing still, my spirit's running low  
I'm not afraid to die but I know the end's in sight

[Bridge]

Another prisoner trapped inside these walls  
Tell me that I'm dreaming, I hear them call my name

[Chorus]

Danger, danger, breakout, breakout  
danger, danger, breakout, breakout

Siren's screaming out, searchlights burn my eyes  
My body's aching, the dogs are on my trail  
Tears in my eyes, roadblocks up ahead  
Somebody's screaming, the dead men tell no tales

[Repeat bridge]

[Repeat chorus]

[Solo]

[Repeat chorus]
