[Boulton/Wright]

They blind your mind
You're mama's blue eyed boy
They make you eat something
That you don't enjoy

[Bridge]

I heard the thunder as I fell from the sky
Too young to worry and too old to cry
The sound of the city is a lonely song
The broke my wings and said I didn't belong

[Chorus]

Angels! Dirty Faced Angels
Angels! Fallen far from grace
Angels! Dirty faced angels
Angels! Broken wings are gonna get me down

Got a fractured halo
I'm the prodigal son
I'm a social cancer
I'm on the business end of this gun

[Bridge]

[Chorus]

[Solo]

[Bridge]
