[Boulton/Marsh/Wright]

I want to know if there's a reason
We keep on searching, we don't find a clue
In the gutter, in the free zone
We're all monkeys in a human zoo

[Bridge#1]

I won't take it any longer
Street lover, a love alone
The storm is raging, it's getting stronger
It's like a bomb, it's ready to blow

[Bridge#2]

Thunder rolls, and I can't live forever
Thunder rolls, I just can't take it

[Chorus]

Lightning strikes straight through the heart [x4]

Keep trying just a little harder
Give me an inch and I'll take the world
I'm hungry, think I'll raid the larder
I need attention like a little girl

[Bridge#1]

[Bridge#2]

[Chorus]

[Solo]

[Bridge#2]
