[Boulton/Wright]

Monkeys blood running through my veins  
Funky junkies with babies brains  
Sticking needles in the heart of the city  
Little girls who once were pretty

[Chorus]

Ooh baby! It hurts so good  
Hallelujah!  
I got monkeys blood  
I got monkeys blood

Vaccination is a four letter word  
Perspiration from a small town turd  
Jungle Jimmy is a high school retard  
Sexy Suzy's on a picture postcard

[Chorus]

[Solo]

[Chorus]
