I kiss your lips and close my eyes
Take you away to paradise,
Make everybody see that I love you and you love me.
I kiss your lips and close my eyes
Take you away to paradise,
Make everybody see that I love you and you love me.
(Ting, ting, ting...)

Come on y'all

I kiss your lips and close my eyes
Take you away to paradise,
Make everybody see that I love you and you love me.
I kiss your lips and close my eyes
Take you away to paradise,
Make everybody see that I love you and you love me.
(Thump, thump, thump...)

I kiss your lips and close my eyes
Take you away to paradise,
Make everybody see that I love you and you love me.
I kiss your lips and close my eyes
Take you away to paradise,
Make everybody see that I love you and you love me.

Come all y'all

I kiss your lips and close my eyes
Take you away to paradise,
Make everybody see that I love you and you love me.
(Thump, thump, thump...)
I kiss your lips and close my eyes
Take you away to paradise,
Make everybody see that I love you and you love me.
(Ting, ting, ting...)
