In everywhere we look (x6)  
Allah, Allah, Allah!  
In everywhere we look

In everyone we meet (x6)  
Allah, Allah, Allah!  
In everyone we meet

In every blade of grass (x6)  
Allah, Allah, Allah!  
In every blade of grass

It doesn't matter what you done  
It doesn't matter what you done  
What effect is without a cause?  
It doesn't matter what you done  
Now lay your faithless head down  
In necessity's Cotton Hand  
There's a love that never changes  
No matter what you done

If your old man did you wrong (x3)  
Well maybe his old man did him wrong  
If you care to sing forgiveness songs  
Come down and join our band  
And we'll cut you like sword  
And sing forgiveness songs

Everywhere we look (x5)  
It's all crazy  
It's all false  
It's all a dream  
It's alright  
Everywhere we look
